

**ADMISSIONS INTO POSTGRADUATE PROGRAMMES OF THE CENTRE FOR
PETROLEUM, ENERGY ECONOMICS AND LAW FOR THE 2014/2015 ACADEMIC
SESSION**

INTRODUCTION: The Centre for Petroleum, Energy Economics and Law is a John D. and Catherine T. MacArthur Foundation funded regional Centre of Excellence with the main goal of training highly skilled personnel and conducting research in energy. The Centre is multidisciplinary in concept and practice and it brings together economists, engineers, lawyers, finance experts, scientists and other relevant professionals in order to address energy issues in a holistic manner.

The Centre is uniquely positioned, with research and teaching collaborations with globally acclaimed institutions in the United Kingdom, United States of America and Ghana. The Centre also emphasizes strong linkage with the energy industry and policy world.

OBJECTIVES: The Centre's core objective is to meet the energy personnel requirements of Nigeria and the sub-Saharan Africa. Graduates of the Centre would gain the sound training necessary to bridge the knowledge and skills gap in the sector.

The following Degree Programmes are available for the 2014/2015:

1. M.sc & PhD (Energy Studies) with specialization in:

- Energy and Environment
- Energy Economics
- Energy Finance
- Energy policy
- Oil and Gas Economics
